

Artists in Christian Testimony International
... a missions and ministry sending agency for artistic ministers and missionaries creatively proclaiming Christ
all over the world

To whom it may concern?

My name is Judy Felts and I am a board member for Artist in Christian Testimony Intl (ACT) as well as a board member for the Tenn. Prison for Women's Community Resource Board.

I met Julie Branham several years ago and have watched her develop the Soul Choir from the very beginning. I have had them come to the Tenn. Prison for Women on numerous occasions to lead in a worship service as well as do several concerts. Each member is dedicated to sharing the gospel and has a heart to give. The women have received them well and continually ask for them to come back.

I would not hesitate to recommend them to you for any event. They bring excitement, enthusiasm, heart-felt ministry, powerful testimonies and great leadership.
